## Eve Selis

Saturday, June 16, 2012

8:00 PM

San Marcos

The first year Eve Selis was here at frogstop she performed with her songwriting partner, Marc "Twang" Intraivaia. Last year Eve and Marc were back, along with the band's other guitarist extraordinaire, "Cactus" Jim Soldi. This year we're excited all over again, because Eve, Marc and Jim will be joined by bandmate Sharon Whyte on keyboards, accordian, and vocals. (And yes, we're

hoping this means one year we'll see Rick Nash and Larry Grano here, too!)

"One of the best shows I've ever seen in the U.K."

*Bob Harris - The Bob Harris Show, BBC2*

"The Eve Selis Band erupted in an acute explosion of Americana, wailing and twanging and thundering and throbbing, conjuring demons and angels alike. Damn, that woman can sing!"

*Buddy Blue - Blue Notes*

"Eve Selis isn't just a "singer" — she's an emotion transducer who converts country, R&B, blues, folk, and rock 'n' roll signals into a megawatt zap that galvanizes everyone in its path. The power of Selis's voice can arc-weld material from almost any genre into a personal manifesto."

*John D'Agostino - Taylor Guitars On Review.*
