

house concerts presents

## Eve Selis

Saturday, June 18, 2011

8:00 PM

San Marcos

We last hosted Eve Selis here at frogstop in 2008 (our inaugural year!), and we are so excited to welcome her back this year. Eve will be joined by her songwriting partner (20th year anniversary this year!) Marc "Twang" Intravaia and "Cactus" Jim Soldi (ex-Johnny Cash band), two of the finest guitarists you could hope to see on stage together. Eve and the band's recent UK tour was

highlighted by a performance at the legendary Abbey Road studios.

"One of the best shows I've ever seen in the U.K."

*Bob Harris - The Bob Harris Show, BBC2*

"The Eve Selis Band erupted in an acute explosion of Americana, wailing and twanging and thundering and throbbing, conjuring demons and angels alike. Damn, that woman can sing!"

*Buddy Blue - Blue Notes*

"Eve Selis isn't just a "singer" — she's an emotion transducer who converts country, R&B, blues, folk, and rock 'n' roll signals into a

megawatt zap that galvanizes everyone in its path. The power of Selis's voice can arc-weld material from almost any genre into a personal manifesto."

*John D'Agostino - Taylor Guitars On Review.*
